Patient Ordering Platform

How It Works

All you have to do is meet with your health care professional to develop a Standard Process supplement plan that is right for you.

From there, the online purchase process is swift and smooth. When your plan is in place, Patient Direct

gives you access to order the supplements you need, when you need them.

Get Started

Ask your health care professional for the Patient Direct code.

Go to standardprocess.com and click on “Patient Direct.” Complete the application.

Order your Standard Process supplements online, and start on your path to a healthier life.
